FEEDBACK

Dorothea EUE Freelancer

“Openness, light, serenity and cleanliness is where my mind declutters, and I can concentrate. Nestwork is that space for me. And, something unexpected happened in this cooperative cool business atmosphere, not only do I find an inspiring exchange of expertise, but also friends for life. Nest is the best!”

FEEDBACK

Maria Krasteva **Business Administration Manager at Heimaleiga**

“After many years working in a home office from different parts of Bulgaria and Iceland, we ended up with the decision to open our office in Bansko. The crazy idea was related to a few unsuccessful visits until the destiny met us with Nestwork Coworking.

They supported us in every step of our endeavour, and made our idea become real.

From documentation, communication to finally getting the perfect office space we need it.

Being occupied and overloaded, meeting such professional and devoted people was what we were looking for. They made it smooth and easy by providing fully furnished, decorated and equipped office for our constantly growing team.

We continue this adventure together with the best coworking company in Bansko.

Thank you for your support, care and attitude.”
